Record Qualify for Secondary Schools Triathlon Championships

The Carina Leagues Triathlon Club has a record 13 high school members qualify for the Secondary Schools Triathlon Championships on the 21st to 23rd February 2008 at Suttons Beach, Redcliffe.

“This increased representation, from under 14 to open categories, is due to new athletes coming through our initial Junior Beginner Triathlon Program at the Clem Jones Centre in Zahel Street Carina,” Coach Warwick Dalziel said.

“The program for 9 to 13 year children commenced in September this year under the very capable eye of our assistant coach, Jaimie Trotter.

“After a short Christmas break the popular program will resume on Monday 14th January, continuing until the end of the junior triathlon season in March 2008.

“The club welcomes new members who may be considering give triathlon a go as a new sport,” Dalziel said.

“The junior triathlon squad focuses on teaching the fundamental skills, with a particular emphasis on participation, enjoyment and fitness.

“The club has a dedicated child protection policy and it is committed to the safety and well-being of all of our young athletes.

“Last season at these State Championships the club had Ellie Salthouse, Ryan Isaacs and Brad Chittick qualify for the Queensland team in the National Secondary Schools Championships in Canberra.

“The Carina Leagues Triathlon Club would like to keep its proud tradition of having a club member in the Queensland representative team every year since 2002 at these Championships,” Dalziel said.
